SHERMAN MOVE
(*Make our Village Exceptional*)

Join in the beautification of the Village of Sherman!

Dedicate a Tree Program

Long-term planning includes a variety of trees to be planted. Oaks, Sugar Maple and Ivory Silk Lilacs are only some of the many varieties that will be carefully selected for placement in Sherman. The Make our Village Exceptional (MOVE) is striving to ensure that the Village of Sherman remains a beautiful piece of history for the children of tomorrow – we cannot afford to neglect the environment.

A Growing Legacy

Contributions to the program are used to plant the beautiful trees. By donating a Legacy Tree, individuals will accelerate the efforts to help the environment and beautify our Village.

Each donation of $400.00 will plant and perpetually care for a large tree in the new Sherman Park. A permanent recognition plaque with your personalized inscription will be placed on your tree. These Legacy Trees will be approximately three to four inches in diameter and selected from a variety of Sugar Maple, Ivory Silk Lilacs and Oak. Trees are guaranteed for 90 days.

Sherman MOVE (Make our Village Exceptional)

The mission of the MOVE Committee is to work in parallel with the Village of Sherman to develop and pursue initiatives that promote the beautification of our Village. One of the goals of the MOVE Committee is to create pride in our Village and to motivate the citizens of Sherman to participate in the beautification process.

CONTACT LORRI AT 217.899.3332

Tree donations will help us uphold our mission to preserve and nurture a flourishing community of landscaped public and private areas in the Village of Sherman for future generations!
