

## MESSAGE FROM THE MAYOR

LET THE COUNTDOWN BEGIN FOR SUMMER SPECTACULAR 2019!

Remember the survey we included in the November 2018 newsletter? The one that asked you what events you would like to see for the 2019 summer season-what we could

organize locally, and who and what to bring to our beautiful Village Park venue. We listed a bunch of our ideas and there was also a space to include your own.

The response was overwhelming! You told us you wanted **Kelsey Hickman** back. You wanted **the Boat Drunks** to return. You loved **Movie Nights** and adored watching performances by the **WHS musicians and artists**. You asked for more local bands, in fact, you wanted a certain night designated for celebrating the best talent in Central Illinois.

Your ideas were infinitely creative, and the best part? You made it clear that you enjoyed the inaugural season at Village Park and were looking forward to this year.

Bottom line-we heard you. We took your suggestions, threw in a few surprises, and the result is a 2019 season that we think will make Village Park your summer destination.

Take a look inside for the season's calendar. This is a calendar you will want to stick on your fridge. Just know that we are not done yet and are still working on adding events.

Every event benefits Sherman by drawing visitors who spend at our local businesses. But most of all, it's fun for those of us who live here! Get ready for a summer to remember.

*Back by popular demand!*

### Kelsey Hickman Band

June 1 • 6-10 pm  
Village Park Amphitheater

Featuring the **Natu Band**

**Thanks Sherman! On behalf of your newly re-elected board members, I thank you for your support in the recent election. Here's to another four years of progress!**

### It won't be long now!

The equipment is here and ready to install. We approached the Central Illinois Building & Construction Trades Council to take on the project and six unions agreed to tackle the project! **That will save us over \$50,000 in installation costs.** Completion is slated for July 1. Thanks to all!
